1 INTRODUCTION

Processor performs services to customer(s) under an existing agreement for services (the "**Main Agreement**"). The customer is data controller for personal data processed by Processor in relation to the Main Agreement, and will hereinafter be referred to as "**Controller**".

LINK as sub-processor will perform certain services to Processor in relation to Processor's performance of the services under the Main Agreement (the "**Services**"). This agreement document constitutes the data processing agreement between the Processor and LINK, and will in the following be referred to as the "**Processing Agreement**".

2 PURPOSE OF THE PROCESSING AGREEMENT

The purpose of the Processing Agreement is to regulate rights and obligations pursuant to applicable Data Protection Legislation relating to LINK's processing of Personal Data in relation to the Services.

"**Data Protection Legislation**" shall mean the EU General Data Protection Regulation 2016/679 ("**GDPR**") upon entering into force, and national provisions on protection of privacy in the country in which the Controller and/or Processor is established, as amended, replaced or superseded from time to time, including laws implementing or supplementing the GDPR.

"**Personal Data**" means any information relating to an identified or identifiable natural person (the "**Data Subject**").

The Processing Agreement shall ensure that Personal Data is processed in accordance with Data Protection Legislation and is not used unlawfully or comes into the possession of any unauthorized party.

3 SCOPE OF PROCESSING

3.1 General

Processor process Personal Data on behalf of the Controller, and the Controller determines the purposes and means of the processing of Personal Data.

LINK, and other persons acting under the authority of LINK who has access to the Personal Data, shall process the Personal Data only on behalf of and in compliance with the Controller's documented instructions (as communicated by Processor), the Main Agreement, the Agreement and the Processing Agreement, unless otherwise stipulated in applicable statutory laws.

LINK shall immediately inform Processor if, in LINK's opinion, an instruction from the Controller and/or Processor infringes the Data Protection Legislation.

3.2 The scope of the processing

The Processing Agreement concerns LINK's processing of Personal Data in connection with the provision of the Services as further described in the agreement between Processor and LINK (the "**Agreement**")

3.3 The purpose of the processing

The nature and the purpose of the processing, including operations and basic processing activities, are further described in the Agreement.

3.4 Categories of Personal Data and Data Subjects

The processing involves processing of Personal Data related to Controller's end-users, customers or employees, depending of the Controller's use of the Services.

The Processing relates to the following categories of Personal Data, subject to the Controller's concrete use of the Services:

- Basic Personal Data, such as name, contact details such as email, phone number etc.
- Special categories of Personal Data, such as data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, trade union membership or health data.
- Location data, such as GPS, Wi-Fi location data and location data derived from LINK's network (that is not traffic data as defined below).
- Traffic data: personal data processed in relation to the conveyance of communication on an electronic communications network or billing thereof.
- Data related to content of communication, such as e-mails, voice mails, SMS/MMS, browsing data etc.

4 CONFIDENTIALITY

LINK, and other persons acting under the authority of LINK who has access to the Personal Data are subject to a duty of confidentiality and shall observe professional secrecy in regard to the processing of Personal Data and security documentation pursuant to applicable Data Protection Legislation. LINK is responsible for ensuring that any other sub-supplier or persons acting under its authority, is subject to such duty of confidentiality.

The Processor is subject to a duty of confidentiality regarding any documentation and information, received by LINK, related to LINK's implemented technical and organisational security measures, or information which LINK otherwise wants to keep confidential. However, Processor may always share such information with the Controller and/or supervisory authorities if necessary to act in compliance with Processor's obligations towards the Controller or Data Protection Legislation or other statutory obligations.

The confidentiality obligations also apply after the termination of the Processing Agreement.

5 SECURITY

The security requirements applying to LINK's processing of Personal Data is governed by **Appendix 2** to the Processing Agreement.

6 ACCESS TO PERSONAL DATA AND FULFILMENT OF DATA SUBJECTS' RIGHTS

Unless otherwise agreed or pursuant to applicable statutory laws, Processor (on behalf of Processor or Controller) is entitled to request access to Personal Data being processed by LINK in relation to the Main Agreement.

If LINK receives a request from a Data Subject relating to processing of Personal Data, LINK shall send such request to Processor, who shall forward the request to Controller, for the Controller's further handling thereof.

LINK shall assist Processor and Controller for the fulfilment of the Controller's obligation to respond to requests for exercising the Data Subject's rights stipulated in Data Protection Legislation, including the Data Subject's right to (i) access to its Personal Data, (ii) rectification of its inaccurate Personal Data; (iii) erasure of its Personal Data; (iv) restriction of, or objection to, processing of its Personal Data; and (v) the right to receive its Personal Data in a structured, commonly used and machine-readable format (data portability). LINK shall be compensated for such assistance at LINK's then current rates, unless otherwise agreed.

7 OTHER ASSISTANCE TO PROCESSOR AND CONTROLLER

If LINK receives a request for access or information from the relevant supervisory authority relating to the registered Personal Data or processing activities subject to this Processing Agreement, LINK shall notify Processor, who shall forward the request to Controller, for the Controller's further processing thereof.

If the Controller is obliged to perform an impact assessment and/or consult the supervisory authority in connection with the processing of Personal Data under this Processing Agreement, LINK shall provide assistance to Processor and Controller. Processor shall bear any costs accrued by LINK related to such assistance.

8 NOTIFICATION OF PERSONAL DATA BREACH

LINK shall notify Processor without undue delay after becoming aware of a breach related to the processing of Personal Data ("**Personal Data Breach**"). Processor is responsible for notifying the Personal Data Breach to the Controller, who shall notify the relevant supervisory authority.

The notification to Processor shall as a minimum describe (i) the nature of the Personal Data Breach including where possible, the categories and approximate number of Data Subjects concerned and the categories and approximate number of Personal Data records concerned; (ii) the likely consequences of the Personal Data Breach; (iii) the measures taken or proposed to be taken by LINK to address the Personal Data Breach, including, where appropriate, measures to mitigate its possible adverse effects.

In the event the Controller is obliged to communicate a Personal Data Breach to the Data Subjects, LINK shall assist Processor and the Controller, including the provision, if available, of necessary contact information to the affected Data Subjects. Processor shall bear any costs incurred by LINK related to such communication to the Data Subject. LINK shall nevertheless bear such costs if the Personal Data Breach is caused by circumstances for which LINK is responsible.

9 TRANSFER

Disclosure, transfer or access to Personal Data ("**Transfer**") from countries located outside EU/EEA ("**Third Country**") may only occur in case of approval from the Processor, as described in section 11 below, and is subject to EUs standard contractual clauses between the Controller and the relevant company at the location, or other legal basis for such Transfer.

10 USE OF SUB-SUPPLIERS

The Processor agrees that LINK may appoint another processor ("**Sub-supplier**") to assist in providing the Services and processing Personal Data, provided that LINK ensures that;

- i) the data protection obligations as set out in this Processing Agreement and in Data Protection Legislation are imposed upon any Sub-supplier by a written agreement; and that
- ii) any Sub-supplier provides sufficient guarantees to implement appropriate technical and organisational measures to comply with Data Protection Legislation and this Processing Agreement, and provide the Processor, Controller and relevant supervisory authorities with access and information necessary to verify such compliance.

LINK shall remain fully liable to the Processor for the performance of any Sub-supplier.

11 PROCEDURE FOR USE OF SUB-SUPPLIERS

LINK shall maintain an up-to-date list of the names and contact details of any Sub-suppliers and locations used by such Sub-suppliers for processing of Personal Data on LINK's behalf at <https://www.linkmobility.com/wp-content/uploads/2018/05/Underbitra%CC%88den-2018-05-03.pdf> (Appendix 1)

LINK shall update the list to reflect any addition or replacement of Sub-suppliers and notify Processor at least 3 months prior to the date on which such Sub-supplier shall commence processing of Personal Data. Any objection to such changes must be provided to LINK within 3 weeks of receipt of such notification or publication on the website. In case of an objection from Processor as to the supplementing or change of a Sub-supplier, LINK may terminate the Agreement and this Processing Agreement with 1 months notice.

By entering into this Processing Agreement, the Processor accepts that LINK is entitled to enter into EUs standard contractual clauses on behalf of Processor and Controller, or to secure other legal basis for Transfer to Third Countries for any Sub-supplier approved in accordance with the procedure stipulated above. Upon request, LINK shall provide the Processor and the Controller with a copy of such EUs standard contractual clauses or description of such other legal basis for Transfer, as well as documentation of the risk assessment performed by LINK in relation to the use of the Sub-suppliers.

LINK shall provide reasonable assistance and documentation to be used in the Processor's and the Controller's independent risk assessment in relation to use of Sub-suppliers or Transfer of Personal Data to a Third Country.

12 AUDITS

LINK shall provide Processor with documentation of implemented technical and organisational measures to ensure an appropriate level of security, and other information necessary to demonstrate LINK's compliance with its obligations under the Processing Agreement and relevant Data Protection Legislation.

Processor (on behalf of Processor or Controller) and the supervisory authority under the relevant Data Protection Legislation, shall be entitled to conduct audits, including on-premises inspections and evaluations of Personal Data being processed, the systems and equipment used for this purpose, implemented technical and organisational measures, including security policies and similar, and Sub-suppliers. Processor and Controller shall

not be given access to information concerning LINK's other customers and information subject to confidentiality obligations.

Processor is entitled to conduct such audits once a year. If required by Processor or the Controller, audits may be performed by an external auditor. Such external auditor shall be bound by a duty of confidentiality.

Processor shall bear any costs related to audits initiated by Processor or the Controller, or accrued in relation to audits of the Processor or the Controller, including compensation to LINK for reasonable time spent by it and its employees complying with on premises audits. LINK shall nevertheless bear such costs if an audit reveals non-compliance with the Processing Agreement or Data Protection Legislation.

13 TERM AND TERMINATION

The Processing Agreement is valid for as long as LINK processes Personal Data in relation to the Services.

In the event of LINK's breach of the Processing Agreement or non-compliance of the Data Protection Legislation, Processor may (i) instruct LINK to stop further processing of Personal Data with immediate effect; and/or (ii) terminate the Processing Agreement with immediate effect.

14 EFFECTS OF TERMINATION

LINK shall, upon the termination of the Processing Agreement and at the choice of Processor, delete or return all the Personal Data to Processor, including back-up copies, unless otherwise stipulated in applicable statutory law.

LINK shall document in writing to Processor that deletion has taken place in accordance with the Processing Agreement and as instructed by Processor.

15 LIMITATION OF LIABILITY

Neither party shall be liable to the other party for any incidental, special, consequential, or indirect damages of any kind (including without limitation damages for interruption of business, loss of data, loss of profits or the like) regardless of the form of action, whether in contract, tort (including without limitation negligence), strict product liability, or other, even if advised of the possibility of such damages (jointly "**Indirect Damages**").

Neither party shall be liable to the other party for

- a) errors or delays that are outside the defaulting party's reasonable control, including general internet or line delays, power failure or faults on any machines; or
- b) errors caused by the other party's systems or actions, negligence or omissions, which shall be the sole responsibility of that party.

The total and maximum liability in each twelve (12) month period of either party towards the other party under any provision of the Data Processing Agreement or any transaction contemplated by the Data Processing Agreement shall in no event exceed an amount equal to the total amounts paid under the Agreement in the twelve (12) months preceding the event that incurs liability.

The above limitations shall not apply to damages attributable to fraud, gross negligence or intentional misconduct.

16 NOTICES AND AMENDMENTS

All notices relating to the Processing Agreement shall be submitted in writing to the email address stated on the first page of the Processing Agreement.

In case changes in Data Protection Legislation, a judgement or opinion from another authoritative source causes another interpretation of Data Protection Legislation, or changes to the Services require changes to this Processing Agreement, the parties shall in good faith cooperate to update the Processing Agreement accordingly.

Any modification or amendment of this Processing Agreement shall be effective only if agreed in writing and signed by both parties.

17 GOVERNING LAW AND LEGAL VENUE

The Processing Agreement shall be governed and interpreted under the laws of the country of the place of business of LINK (excluding its conflict of law principles). Any dispute, controversy or claim arising out of or in connection with this Processing Agreement must be brought to the relevant court at the place of business of LINK.

The Processing Agreement is signed in two copies, of which the parties retain one copy each.

APPENDIX 2 – SECURITY

1 REQUIREMENT OF INFORMATION SECURITY

LINK shall implement appropriate technical and organisational measures as stipulated in Data Protection Legislation and/or measures imposed by relevant supervisory authority pursuant to Data Protection Legislation or other applicable statutory law to ensure an appropriate level of security.

LINK shall assess the appropriate level of security and take into account the risks related to the processing in relation to the Services, including risk for accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to Person Data transmitted, stored or otherwise processed.

All transmissions of Personal Data between LINK and Processor or between LINK and any third party shall be done at a sufficient security level, or otherwise as agreed between the Parties.

This Appendix contains a general description of technical and organisational measures that shall be implemented by LINK to ensure an appropriate level of security.

To the extent LINK has access to such information, LINK shall provide Processor with general descriptions of its Sub-suppliers' technical and organisational measures implemented to ensure an appropriate level of security.

2 TECHNICAL AND ORGANISATIONAL MEASURES

2.1 Physical access control

LINK will take proportionate measures to prevent unauthorised physical access to LINK's premises and facilities holding Personal Data. Measures shall include:

- Procedural and/or physical access control systems
- Door locking or other electronic access control measures
- Alarm system, video/CCTV monitor or other surveillance facilities
- Logging of facility entries/exits
- ID, key or other access requirements

2.2 Access control to systems

LINK will take proportionate measures to prevent unauthorised access to systems holding Personal Data. Measures shall include:

- Password procedures (including e.g. requirements to length or special characters, forced change of password on frequent basis etc.)
- Access to systems subject to approval from HR management or IT system administrators
- No access to systems for guest users or anonymous accounts
- Central management of system access
- Routines of manual lock when workstations are left unattended, and automatic lock within maximum 5 minutes

- Restrictions on use of removable media, such as memory sticks, CD/DVD disks or portable hard drives, and requirements of encryption

2.3 Access control to data

LINK will take proportionate measures to prevent authorised users from accessing data beyond their authorised access rights, and to prevent the unauthorised access to or removal, modification or disclosure of Personal Data. Measures shall include:

- Differentiated access rights, defined according to duties
- Automated log of user access via IT systems

2.4 Data entry control

LINK will take proportionate measures to check and establish whether and by whom Personal Data has been supplied in the systems, modified or removed. Measures shall include:

- Differentiated access rights based on duties
- Automated log of user access, and frequent review of security logs to uncover and follow-up on any potential incidents
- Ensure that it is possible to verify and establish to which bodies Personal Data have been or may be transmitted or made available using data communication equipment
- Ensure that it is possible to verify and establish which Personal Data have been entered into data-processing systems, altered or deleted, and when and by whom the Personal Data have been input, altered or deleted

2.5 Disclosure control

LINK will take proportionate measures to prevent unauthorised access, alteration or removal of Personal Data during transfer of the Personal Data. Measures shall include:

- Use of state of the art encryption on all electronic transfer of Personal Data
- Encryption using a VPN for remote access, transport and communication of Personal Data
- Audit trail of all data transfers
- Compulsory use of wholly-owned private networks for Personal Data transfers

2.6 Availability control

LINK will take proportionate measures to ensure that Personal Data are protected from accidental destruction or loss. Measures shall include:

- Frequent back-up of Personal Data
- Remote storage
- Use of anti-virus/firewall protection
- Monitoring of systems in order to detect virus etc.
- Ensure stored Personal Data cannot be corrupted by means of malfunctioning of the system
- Ensure that installed systems may, in the case of interruption, be restored
- Uninterruptible power supply (UPS)
- Business Continuity procedures

2.7 Separation control

LINK will take proportionate measures to ensure that Personal Data collected for different purposes are processed separately. Measures shall include:

- Restrictions on access to Personal Data stored for different purposes based on duties
- Segregation of business IT systems

2.8 Job/subcontractor control

LINK shall implement measures to ensure that, in the case of commissioned processing of Personal Data, the Personal Data is processed strictly in accordance with the Processor's instructions. Measures shall include:

- Unambiguous wording of contractual instructions
- Monitoring of contract performance

2.9 Training and awareness

LINK shall ensure that all employees are aware of routines on security and confidentiality, through:

- Unambiguous regulations in employment contracts on confidentiality, security and compliance with internal routines
- Internal routines and courses on requirements of processing of Personal Data to create awareness
